

20 for 20 pays. . . \$1,000,000

\$1,000,000 PARLAY CARD RULES

1. Wagering Ties are considered a loss.
2. Wager amount per card is \$5.
3. All games/events must be played within seven (7) days of the originally scheduled date of action.
4. All house wagering rules apply unless otherwise stipulated on this card.
5. Tickets must have a minimum of 20 propositions in action or wager is void and the wager amount will be refunded.
6. All player propositions require the listed player to play at least one play for action. In the event the player does not play the proposition is considered no action.
7. Payoffs will be made on the wagering ticket generated from the stub portion of this card only. This card is not valid for payment.
8. Invalid game selections are considered no action.
9. The point spreads printed on the parlay card at the time the wager is accepted are used in the determination of winners, losers and wagering ties.
10. If there is more than one winning ticket for this card, the \$1,000,000 prize will be divided equally among the winning tickets. Winners must present a valid photo ID in person to claim prizes.
11. Any payouts relative to this card shall not be paid until the completion of all propositions listed on this parlay card. William Hill reserves the right to refuse any wager, delete, or limit any selection prior to the acceptance of a wager.
12. This card is for use only at those locations listed on the William Hill Race and Sports Book locations in New Jersey. We employ no agents; cards used for any other purpose are invalid.
13. If you or someone you know has a gambling problem and wants help, Call 1-800-Gambler.
